

No. IHBT/2-7/406/2020-Rectt.

Dated: 26.02.2021

**Screening Result cum Interview Schedule for one position of Project Scientist-II
(Position code 4001) (Advt. No. 04/2021)**

Project title: "Functional characterization of the host (plant) and vector (whitefly) proteins in systemic immunity and transmission of virus and virus-like pathogens (MLP-0158)"

The Screening Committee in its meeting held on 22-02-2021 adopted the following criteria for short-listing the applications received in response to the one position of Project Scientist-II (Position code 4001) advertised vide advt. No. 04/2021.

The Screening Committee followed the criterion for short-listing the candidates for calling for interview:

- **Essential qualification:** Doctoral degree in science or masters in technology from a recognized university or equivalent and Three years' research experience from Academic Institutions or Science and Technology Organizations.
- **Desirable Qualification:** Post Ph.D. experience in molecular plant pathogen interaction studies involving plant virus or viroid pathogens OR studies related to plant immunity concerning plant pathogens. This should be clearly stated by the candidate in the column meant for experience. If needed, supporting documents such as testimonial or self-claim document may be attached stating their experience in either of the above two areas.
- Applications received after due date summarily rejected.
- Applications received in other format/proforma than prescribed are considered as incomplete applications hence not considered.
