Dated: 22.07.2021

**Screening Result cum Interview Schedule for the position of Project Associate-I
(Position code 7002) (Advt. No. 07/2021)**

Project title: "Characterization of reverse transcriptase (RNA dependent DNA polymerase) activity from greenhouse whitefly *Trialeurodes vaporariorum*. CSIR-FIRST"

The Screening Committee in its meeting adopted the following criteria for short-listing the applications received in response to the one position of Project Associate-I (Position code 7002) advertised vide advt. No. 07/2021.

The Screening Committee followed the criterion for short-listing the candidates for calling for interview:

- **Essential qualification:** Master Degree in Natural or Agricultural Sciences or Bachelor's Degree in Technology or Medicine from a recognized University or equivalent MSc or equivalent in any branch of science.
- **Desirable Qualification:** Preference will be given to candidates having expertise in protein biochemistry, protein purification and characterization. The expertise as in the desirable category should be clearly spelled out in the "experience" section of application form.
- **Work Requirement:** Purification and characterization of reverse transcriptase activity through "activity based purification", identification of gene responsible for the activity, purification of Virus like particles (VLPs) to identify any associated retrovirus in the fly and its characterization to pin-point the gene responsible for the same. Genome and transcriptome data from the fly will also be generated for this purpose. It will need to be annotated, analyzed from the point of view of RT genes(s).
- Applications received after due date summarily rejected.
- Applications received in other format/proforma than prescribed are considered as incomplete applications hence not considered.
