RESEARCH FOCUS

Discovery of New Molecules from Medicinal and Aromatic Plants and Development of CRMs/BNDs: Our group aims to discover new molecules from plants, evaluate their biological potential, and develop them as CRMs/BNDs.

Phytochemical Investigation of Medicinal Plants: Our group primarily focuses on validating traditional plant knowledge by isolating marker compounds, using them as quality-control standards, and evaluating their biological activities. Developing innovative approaches, including a) Replacing traditionally used organic solvents for targeted extraction with eco-friendly and reusable **Natural Deep Eutectic Solvents (NADES)**; b) Developing a **Chemomatrix** Database for quality assurance of medicinal plants & c) **Biochemomatrix** Approach for the identification of putative marker compounds, to achieve these targets is the main goal.

Asymmetric Synthesis of Bioactive Molecules via C-H Activation: One of our group's aims is to develop green, efficient catalytic methods for the asymmetric synthesis of bioactive molecules *via* C-H activation/functionalization. We mainly focus on the functionalization of *N*-heterocycles using novel catalytic techniques, with an in-depth study of the reaction mechanism.

PROFESSIONAL EXPERIENCE

September 2021 to present	Scientist E, CSIR-IHBT, Palampur, India
September 2017 to August 2021	Scientist D, CSIR-IHBT, Palampur, India
September 2014 to August 2017	Scientist C, CSIR-IHBT, Palampur, India
March 2014 to August 2014	Postdoc Fellow, KAIST, South Korea
May 2013 to March 2014	Young Scientist-DST Fast Track, IIT Bombay, India
November 2012 to May 2013	Research Assistant, IIT Bombay, India

EDUCATION

2012	Ph.D. (Organic Chemistry)	Awarded	GNDU, Amritsar/CSIR-IHBT, Palampur
2005	MSc. (Chemistry)	1 st Division	DAV Collage Jalandhar, GNDU, Amritsar
2002	B.Sc. (Non-Medical)	1 st Division	Himachal Pradesh University

AWARDS/FELLOWSHIPS/RECOGNITION

- CRSI-Bronze Medal, Chemical Research Society of India (2027)
- Fellow, Royal Society of Chemistry (FRSC), London, UK.
- Appreciation Award from CSIR-IHBT for the best Scientific Contribution for the year 2025-2026.
- One Year Advance Promotion, i.e., Merit Promotion from Scientist C to Senior D.
- Manjushree Pal Memorial Award, The Ethanopharmacology Society of India, Kolkata (2017)
- Thieme Chemistry Journal Award (2016)
- D S Kothari Postdoc Fellowship (2012)
- Fast Track Young Scientist project for three years (2012)
- Postdoc Fellowship KAIST, South Korea (2014)
- CSIR Junior/Senior Research Fellowship (2007, 2009)
- Souvenir for the best work in the area of science through Hindi medium for the year 2022-23, 2023-24 & 2024-25.
- NABL Assessor, ISO17025:2017 for testing (2024-)
- Involved in establishing and getting NABL accreditation of Chemical Technology Lab, CSIR-IHBT, as per ISO17025:2017 for testing under Ayush Drug group (2025-2029)
- Master Trainer for Rasthya Karoyogi Jan Seva Program (2025-)
- Member, Sports Promotion Board (SPB), CSIR (2025-2027)

EDITORIAL BOARD

- Subject Editor, *Indian Journal of Natural Products and Resources (IJNPR)* (2026-)
- Member, Early Career Advisory Board, *Asian Journal of Organic Chemistry* (2020-)

- Member, Editorial Board, *Scientific Reports* (2024-)
- Member, Early Career Advisory Board, *Science of Synthesis* (2021-2024)

MEMBERS OF PROFESSIONAL SOCIETY

- Fellow, Royal Society of Chemistry (FRSC), London, UK
- Life Member, Chemical Research Society of India (CRSI)
- Life Member, Catalysis Society of India (CSI)
- Life Member, Analytical Society of Analytical Scientists

HUMAN RESOURCE DEVELOPMENT

- 23 students awarded PhD degrees.
- 10 Postdoc/Research Associates, 27 Project Assistants, 5 Visiting PhD Fellows, 37 MSc/MPharma trainees worked in the lab, and 16 were trained in HPLC
