

CSIR-IHBT Invites Expression of Interest (EOI)

for

“Process technology for production of millet based value-added food products – reg.”

For enhanced value addition of millets (SHREE ANNA) and its wide popularization, CSIR-IHBT under the auspices of CSIR Millet mission, has standardized process technology for production of millet based value-added food products.

1. Millet chilra premix and variants (Finger millet, Barnyard millet, Sorghum and Pearl millet)
2. Millet pancake premix and variants (Finger millet, Barnyard millet, Sorghum and Pearl millet)
3. Millet soup premixes and variants (Finger millet, Barnyard millet, Sorghum and Pearl millet)
4. Barnyard millet kheer premix (pudding premix)
5. Mixed millet beverage premix and variants

In this regard, CSIR-IHBT invites expression of interest (EOI) from interested parties such as Industries / SMEs / Progressive Entrepreneurs for licensing technology for production of millet based value-added food products such as

The salient features of these products are

- i. Gluten free
- ii. Source of protein and dietary fibre (> 10 g per 100 g of food product)
- iii. Source of iron (Meets > 10% RDA of iron per 100 g of food product for children aged 3 to 10 years)
- iv. Free from preservatives

The application should include details of company profile and marketing strategies. The selected parties shall be called for discussions.

Interested parties may send their Expression of Interest in a sealed cover superscripting “Expression of Interest” addressed to
