CSIR-IHBT invites Expression of Interest (EOI)  
for

**“Technology for Aromatic/Non-Aromatic Floral Wax”**

CSIR IHBT has developed a Green cost-effective process for producing high-value Aromatic/Non-Aromatic floral wax from Flowers/Waste Flowers. The Aromatic Wax developed has a fragrant aroma and color of the flower. Whereas the Non-Aromatic wax developed has creamy/off-white color and less aroma. The developed technology can be utilized in Cosmetic, Pharmaceutical, Aroma, and Coating Industries for various applications.

Eoi is invited from interested industries/ SMLs/ Progressive Entrepreneurs for transfer of the above stated technology.

Application should include details of company profile and marketing strategies. The selected parties shall be called for discussions. Interested parties may send their Expression of Interest, in a sealed cover superscripting “Expression of Interest” addressed to
