CSIR-IHBT invites Expression of Interest (EOI)
for

“Technology for making of flower based resin encapsulated products”

CSIR-IHBT has developed an indigenous “Technology for making of flower based resin encapsulated products”. This advanced encapsulation method preserves dried flowers and ornamentals, ensuring their beauty and elegance remain intact forever.

Eoi are invited from interested Industries / SMEs / Progressive Entrepreneurs for technology which is ready to transfer.

The application should include details of company profile and marketing strategies. The selected parties shall be called for discussions. Interested parties may send their Expression of Interest, in a sealed cover superscripting “Expression of Interest” addressed to
