CSIR-IHBT invites Expression of Interest (EOI)

for

**“Technology for High-Purity Natural Menthol Crystal
Production”**

CSIR IHBT has developed a cost-effective single-step process for the extraction of high-purity (>99%) Natural Menthol Crystals from Mentha piperita oil or any mint oil having <50% menthol in the raw oil. In the unique method, the crystals were developed in less than 2 days as compared to the traditional method where the menthol crystal development took days or months.

Eoi is invited from interested industries/ SMIs/ Progressive Entrepreneurs for transfer of the above stated technology.

Application should include details of company profile and marketing strategies. The selected parties shall be called for discussions. Interested parties may send their Expression of Interest, in a sealed cover superscripting “Expression of Interest” addressed to
