

## Hands on Training in Plant Tissue Culture

An opportunity to strengthen your-self in the area of plant tissue culture in a training programme to be held at CSIR-IHBT, Palampur, H.P. from 9<sup>th</sup> to 18<sup>th</sup> July, 2018.

**Salient features of the programme:** Initiation of aseptic cultures for raising quality planting material, mass multiplication in order to cater industrial needs, maintenance of tissue culture raised plants (TCPs) as per industrial schedules, hardening of TCPs under green/poly house conditions, vertical farming of high value crops using hydroponic and aeroponic systems, disease and pest management under green/polyhouse conditions. Exposure on clonal fidelity and virus testing, entrepreneurship for establishment of commercial ventures for high value crops including flower crops.

**Who should attend:** Anyone interested in learning plant tissue culture techniques, skill upgradation and setting up SMEs and MSMEs in the area of plant tissue culture.

**Basic qualification:** At least graduation in the field of science or engineering

**Number of seats:** Maximum 10; on first come - first serve basis

**Training Fee:** Rupees 15,000/- (including boarding and lodging)

**Applications are invited through email/post, latest by 30<sup>th</sup> June, 2018.**

**Contact:** For any further clarification please contact Dr. Amita Bhattacharya, Senior Principal Scientist & Head, Department of Biotechnology, CSIR-IHBT, Palampur, H.P.- 176061

**Ph. No.:** 01894-233339-348, 01894-233339; 9816146345, 8628979185

## Registration form for Plant Tissue Culture Training

---

Name of the Candidate.....

Father's name.....

Date of Birth.....Gender.....

Educational qualification.....

Address .....

.....

.....

Occupation.....

Affiliation (if any).....

Email ..... Mobile

No.....

**Note:** Attach certificate of educational qualification and affiliation (if any) along with the filled in form.

See you soon at CSIR-IHBT, Palampur, H.P.-176061 for a fruitful training programme.
